

Sprint1 report

Product name: Simple Chinese

Date: 7/10/2017

Actions to stop doing:

- Don't make high pitch noises during meeting
- Don't interrupt when somebody else speak
- Don't be 30 mins late to meeting
- Stop living under a rock

Actions to start doing:

- Pay more attention during meeting
- Discuss with team what you want to see at the end of the sprint
- Need more meetings and communication especially between working partner
- set the definition of "done" for each user story
- put finished tasks on github
- Be more specific on task assignment

Actions to keep doing:

- sprint and release planning
- communication as a team

This is the answer to the question, "What is working well that we should continue to do?" The items should take the form of a brief description of what the team wants to start doing, followed by a brief explanation.

Work completed/not completed:

Complete:

- Gather basic vocabulary (chapter 1)
- Build a navigation screen/UI
- Build a study screen/UI
- Gather vocab and definition
- Access/view vocab on study screen/UI

Uncomplete:

- Review UI
- link 3 UI
- Functional swipe/button

Work completion rate: 87%
